SBGH-Partners Tasks:

- Task 1 -- Work with the Flood Authority's Executive Committee.
- Task 2 -- Work with Project sub-committees (Upper Basin, Lower Basin, specific project subcommittees).
- Task 3 -- Coordinate and consult with affected tribes, Governor's office, local, state, and federal agencies, and elected officials.
- Task 4 -- Help develop materials and provide for education and outreach of the goals and objectives of the Chehalis Basin Flood Authority, and the information generated by the Chehalis Basin Flood Authority pertaining to ESHB 2020.
- Task 5 -- Provide the management, coordination, outreach, and facilitation necessary for the Flood Authority to work with Office of Financial Management, in collaboration with the Department of Transportation and the Department of Ecology, and affected and interested federal agencies, tribal governments and local governments, to provide a report to the governor and legislature by July 2012 that identifies recommended priority flood hazard mitigation projects in the Chehalis River Basin for continued feasibility and design work.
- Task 6 -- Reduced hourly rate for travel.
